

## BILLY SQUIER BAND

From Left: Doug Lubahn, Alan St. Jon, Bobby Chouinard, and Jeff Golub.

This is without a doubt the most fun I've ever had with my clothes on — four years of recording AND touring in one non-stop party!

### The Cast of Characters

JEFF GOLUB, guitarist ... babe magnet!

ALAN ST. JON, keyboardist ... babe magnet!

BILLY SQUIER, leader, singer ... super babe magnet!!!

BOBBY CHOUNARD, drummer ... not such a babe magnet.

ME, bass player ... somewhere in-between.

Recording with Jim and Company was a wonderful experience, but I missed out on the considerable joys of “Road Heaven.” I was envious. This is MY chance to go out and act in a totally despicable manner — and get away with it!! Which I do!

But I digress.

It's late '81. I'm still hurting from the failure of Riff-Raff, a great band that quickly died from interference and neglect. Atco Records chopped up our best recordings, disliked the butchered result, refused to spend a nickel on promotion, then pulled the plug.

I get a phone call from my old Pierce Arrow bandmate Bobby Chouinard. He asks if I'd like to talk to Billy Squier about taking over as Squier's bass player.
