Lubahn is so fiercely loyal to his first big band – CLEAR LIGHT – that he turns down offers to join THE DOORS and BUFFALO SPRINGFIELD. He goes on on to form the rock/jazz band DREAMS with RANDY BRECKER and MICHAEL BRECKER. He records albums with CLEAR LIGHT, THE MONKEES, THE DOORS, BILLY SQUIER, DREAMS, PIERCE ARROW, RIFF RAFF, and TED NUGENT. He tours with BILLY SQUIER, explodes onto MTV, walks away from a chance to join John McLaughlin and the Mahavishnu Orchestra, and other stories.
